Make the *Wordless Heart Book*

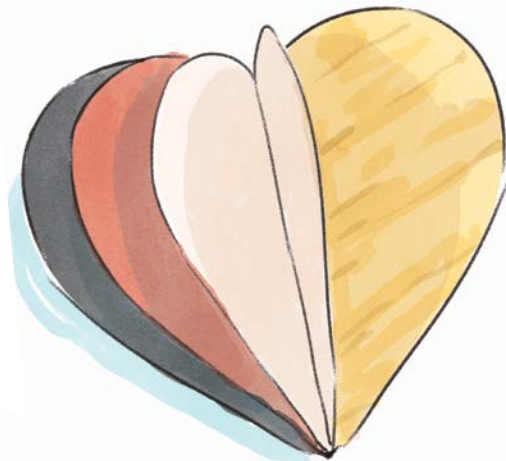

Dad's *Wordless Heart Book* is such a great idea! With these colorful pages you can tell others about the awesome work Jesus has done for us.

YOU WILL NEED:

- Construction paper in green, black, red, white, and gold
- Strong scissors
- Glue

HERE WE GO:

- Cut the papers to 6"x 4".
- Fold all the papers down the middle (at 3") except for the green one.
- Draw a line down the middle of the green paper (at 3").
- Glue the left back of the black paper to the left front of the green. The crease should match where you drew the line on the green paper.
- Glue the left back of the red paper to the right back of the black.
- Do the same with the white and then with the gold paper.
- To complete the book, glue the right back of the gold paper to the right front of the green paper.
- Lastly, with strong scissors, cut out the book in the shape of a heart.

Remember:
**I WANT
TO GUARD
MY HEART
FROM SIN!**
